DUPALICA DEVADI

Computer Science & Engineering (AI/ML) Student
Hyderabad, Telangana 500081 | +91 99510 97509 | devadidupalica@gmail.com

PROFESSIONAL SUMMARY

Motivated and adaptable Computer Science (AI/ML) student with a strong interest in software development and emerging AI technologies. Brings a problem-solving mindset, a willingness to learn, and hands-on project experience across low-code and full-stack development. Seeking an opportunity to gain meaningful industry exposure, collaborate on real-world problems, and continuously strengthen technical and professional capabilities.

SKILLS

Programming: C, C++, Java, Python
Development: Low-code development (FlutterFlow, Oracle APEX)
Database: SQL, DBMS
Web: HTML
Practices: Agile methodologies, Technical documentation
Core CS: Computer science fundamentals, Analytical problem-solving

EXPERIENCE

Industrial Trainee — IndusTech Solutions Private Ltd. *06/2025 – 11/2025*

Hyderabad, Telangana

- Completed industrial training with hands-on exposure to application development using FlutterFlow.
- Developed an Expense Tracker application under mentor guidance, enhancing users' ability to monitor and manage expenses.
- Applied UI design principles and implemented application workflows to streamline user interaction and data management.
- Gained practical experience in low-code application development, contributing to successful software project implementation.

PROJECT EXPERIENCE

CodePulse AI

- Developed an AI-powered resume analyzer using Next.js and React, with resume processing and AI-based feedback generation.
- Built an AI-powered platform for code analysis and impact prediction.
- Integrated LLAMA 3.3 70B via the Groq API and built backend services using Python and FastAPI.

Hospital Management System

- Developed a system for managing patients, doctors, appointments, and medical records.
- Implemented database operations for organizing and managing hospital data.

Expense Tracker

- Built an expense-tracking application using FlutterFlow during industrial training.
- Designed features for recording and managing expenses under mentor guidance.

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — Oracle (2025)
- Oracle APEX Cloud Developer Certified Professional — Oracle (2025)
- Python — Srujana Tech Fest

EDUCATION

Bachelor of Technology (B.Tech), CSE (AI/ML) *Expected 06/2029*

VNR VJIET College of Engineering & Technology — Hyderabad, Telangana

Diploma in Computer Science & Engineering *04/2026*

Government Polytechnic for Women — Secunderabad, Telangana

- Graduated with an outstanding CGPA of 9.6/10.
- Secured 62nd rank in TG ECET, reflecting strong academic performance and a solid foundation in CSE concepts.
- Selected at the district level and represented at the state level in the Srujana TechFest, showcasing technical skills, problem-solving ability, and innovation.

Secondary School Certificate (10th Grade) *04/2023*

Bhavan's Sri Ramakrishna Vidyalaya — Telangana, India

LANGUAGES

English: Advanced (C1)
Telugu: Bilingual / Proficient (C2)
Hindi: Intermediate (B1)
